

Updated MCL Conventions Details

There are two Marine Corps League Conventions taking place in our area of operations within the next few months. We need to know who is coming, how many are coming, so that we can arrange appropriate amounts of food and beverages and plan accordingly on other aspects of the convention's meetings, etc.

So, please do not procrastinate. Commit now as to whether or not your members will be presented at these conventions. Below is a link that will take you to information for both conventions. All members are qualified to come and are more than welcome. Spouses are also welcome. This is OUR event. So come one, come all!

The 1st Convention taking place is the MCL Division Conference in March in Joliet, IL. The 2nd Convention is the Department of Illinois Conference taking place in June in Crystal Lake, IL. Both are important for Marines to be there. We need representation from our Detachments to be in attendance. Please take this seriously.

There are piles of reasons to attend. You get to meet Marines from elsewhere, learn from what they are doing to be successful in recruitment and growth, along with camaraderie. You can gain insight into the larger mission of the MCL and renew a focus on your detachment mission. You will enhance your experience in the League. You will be able to vote on matters that affect you and your detachment, having a voice in League affairs and business. Just to name a few.
